

What is Instant Pay?

It let's you access part of your earned wages before payday. Instead of waiting for your next paycheck, move money you've earned directly to your bank account or debit card.

As Easy As 1-2-3

Clock Out

End your shift as usual. Your total earnings and available balance update in real time.

Cash Out

Pick the amount, speed, destination—money sent on secure JP Morgan rails. Instant transfers usually land in minutes.

Payroll

When payroll runs, your early withdrawals are automatically deducted, and the rest is included in your regular paycheck.

Details

Get your earnings whenever you need them. You have two options when cashing out:

Free

ACH Transfers
(Delivered next business day)

\$3.50

Instant Transfers
(Delivered in minutes)
